

Want to make a difference in your community and to the education experience of local children?

Ventrus Multi Academy Trust is looking to recruit governors in their primary schools and community college.

You do not need to be an expert in education; we would be delighted to hear from anyone who:

- Is interested in children's education and the performance of schools.
- Can give a few hours of their time each month during term-time.
- Has an inquiring mind and the confidence to ask questions and debate issues that affect the schools.
- Can consider matters objectively and make informed judgments.

A full induction and associated training will be provided. If you are interested, please contact Kay Bishop, Senior Executive Assistant on kbishop@ventrus.org.uk
