1. INTRODUCTION

Ventrus Multi-Academy Trust recognises and values the contribution of each member of staff to the education of the children in the Trust schools.

High levels of absence between teaching and support staff pose a serious problem for a school in terms of disruption to teaching programmes, pupils' learning and other areas of the school's work. The Trustees are committed to managing attendance so that any disruption to the pupils' education or the effective running of the school is minimised. Equally it recognises that during the course of employment, colleagues will occasionally be absent from work through ill health, maternity and other authorised circumstances.

Absence of any staff employed in schools during term time means some impact on the children's education. Therefore, requests from any member of staff for absence to be taken during term time must be regarded by all as the exception. Requests for leave of absence for the purpose of taking holidays and/or contributing to holidays will not be granted.

This policy gives details of entitlements of members of staff in relation to absence. The number of days' entitlement given in the table below are days per occasion of absence.

Part-time staff will have the entitlement for leave from work reduced in proportion to the percentage of time they work.

The Managing Sickness Absence Policy assists managers in taking action to arrange any appropriate support that may prevent maximum attendance of staff. This Staff Leave and Absence Policy will therefore be used in conjunction with the Managing Sickness Absence Policy if the amount of absence taken under this Staff Leave and Absence Policy is not considered reasonable.

2. SEEKING APPROVAL FOR LEAVE FROM WORK

All staff will be required to follow Ventrus Multi-Academy Trust procedures for requesting leave of absence and for reporting absence.

Authorised paid and unpaid absence from work for the reasons given in this policy requires prior approval unless in exceptional circumstances where this has not been possible.

Requests for paid or unpaid leave must be made in writing to the Headteacher with full reasons for the request. Requests by the Headteacher should go to the Directors of School Improvement (DOSIs). Requests by the DOSIs should go to the Chief Executive Officer (CEO). The request should be made as soon as it is known that it will be required, and in any case not less than one full week in advance of the proposed absence, except in exceptional circumstances such as the death or sudden illness of a family member.

The Trustees have given delegated authority to the Headteacher to approve leave of absence requests for up to 5 days (10 days for parental bereavement leave, see chart below). For anything greater the Headteacher must discuss each case with the DOSI/Executive Leadership Team (ELT) member and act on the recommendation made. It is important that an email trail is kept by the headteacher showing approval from the DOSI.

Parental bereavement leave allows up to 10 days' absence in the event of the death of a child under the age of 18. Headteachers are asked to discuss requests for this period to be increased with the relevant member of the ELT, as appropriate.

3. DENTAL AND MEDICAL APPOINTMENTS

It is expected that dental and medical appointments will be made out of school hours wherever possible. It is recognised that in some circumstance, such as an appointment being expected from a hospital, that this may not always be possible. However, appointments in work time should be kept to a minimum and cause as little disruption as possible. In any event, prior approval to attend an appointment will need to be sought and agreed.

4. EMERGENCIES INVOLVING DEPENDANTS

All employees have the right to take a reasonable period of unpaid time off during working hours to deal with an emergency involving a dependant. A dependant is defined as a spouse/partner, child or parent, or someone who lives with the employee as part of his/her family, i.e. not someone who lives in the house as an employee, tenant, lodger or boarder (NB: civil partners should be considered in the same way as spouse/partner). In the case of illness, injury or where care arrangements break down, a dependant may also be someone who reasonably relies on the employee for assistance. This may be where the employee is the primary carer or is the only person who can help in an emergency.

5. PARENTAL LEAVE

Employees with a child up to the age of 18 years at least one year of continuous service with Ventrus Multi-Academy Trust are entitled to parental leave. In the case of an adopted child, the same provisions as above apply or eighteenth anniversary of their adoption, whichever comes first. Parental leave is only available for the purpose of caring for a child, for whom the employee has parental responsibility. A child is a person under the age of 18.

Parental leave is unpaid and the maximum entitlement is 18 weeks leave (pro rata for part-time staff) for each child, in total. The leave must be taken in blocks or multiples of one week, and the maximum entitlement in any leave year is four weeks.

Parental leave is for each child, so if twins are born each parent will be entitled to 18 weeks leave for each child.

Parents of disabled children are able to use their leave over a longer period, up until the child's 18th birthday and may take the leave a day at a time, if required.

The employee must give at least 21 days' written notice of the period during which parental leave is requested.

If a father wishes to take parental leave following the birth of a child (in addition to paternity leave), he is required to give at least 21 days' notice to his employer, stating the expected week of commencement of the parental leave and the duration of that leave.

In the case of adoption, a parent must give at least 21 days' notice stating the week in which he/she expects to adopt the child. The duration of the leave must also be stated.

Prior to approving the first request for parental leave the school will need to see the birth certificate, adoption paper or proof of disability living allowance.

The Headteacher is able to require an employee to postpone his/her parental leave for up to six months, where the school cannot cope. Notice of postponement will be given no more than seven days after the request and will state the reasons for postponing the parental leave and when it can be taken. The leave must be granted for the same period as the original request and will begin on a date determined by the Headteacher, after consultation with the member of staff and be not more than six months after the date originally requested.

Parental leave cannot be postponed when the member of staff gives notice of parental leave to be taken immediately after the birth of their child or at the time of adoption.

The school will accurately record when an employee takes Parental Leave as new employers may seek a declaration of how much Parental Leave has been taken.

6. CARER'S LEAVE

From 6 April 2024 the law recognises that there may be occasions when employees need to take time off work to care for dependants with long term needs.

Dependant means an employee's spouse or civil partner, parent, child or someone who lives in the same household as part of the employee's family or someone who reasonably relies on the employee for assistance.

Long term need means an illness or injury (whether physical or mental) that requires, or is likely to require, care for more than three months, a disability under the Equality Act 2010, or needs connected with old age.

6.1 Entitlement

Where an employee is eligible to take carer's leave, they may take between half a day and one week of leave in any period of 12 months (which ends on the last day of the carer's leave the employee has requested). Carer's leave need not be taken on consecutive days. The employee will only be entitled to time off for carer's leave under this policy if they:

- have a dependant with a long-term need;
- want to be absent from work to provide or arrange care for that dependant; and
- have not taken more than one week of carer's leave during the 12-month period which ends on the last day of the carer's leave the employee has requested.

6.2 Exercising the right to time off

The employee must give notice of their intention to take carer's leave. Notice must be provided either (i) twice as many days in advance as the number of days of leave requested; or (ii) three days in advance of the earliest day specified in the notice. See Appendix 3 – Carer's Leave Request Form.

The notice should specify that the employee satisfies the eligibility requirements (above), the days on which the carer's leave is to be taken and whether the leave relates to part of a day or a full day.

Although Ventrus will try to accommodate the employee's request for carer's leave, Ventrus may postpone the employee's requested leave where it reasonably considers that it would cause disruption to the pupils' education or the effective running of the school. In these circumstances, Ventrus shall consult with the employee and permit them to take a period of carer's leave of the same duration as the period identified in their notice on a date which is no later than one month after the earliest day or part day of their original request for carer's leave.

Ventrus shall send the employee a written notice of postponement as soon as reasonably practicable, which shall state the reason for the postponement and the agreed date that they can take carer's leave. In any event, it shall be sent no later than:

- seven days after the employee's original notice was given to Ventrus; or
- before the earliest day or part day requested in the employee's notice.

If the employee fails to notify Ventrus that they wish to take carer's leave as set out above, they may be subject to disciplinary proceedings under our Disciplinary Policy & Procedures for taking unauthorised time off.

Ventrus may in some cases ask the employee to provide evidence for their reasons for taking the time off, either in advance or on their return to work. Suspected abuse of this policy will be dealt with as a disciplinary issue under our Disciplinary Policy & Procedures.

6.3 Unpaid Leave

The right to take time off for carer's leave does not include a statutory right to pay.
